

School of Applied Sciences (Physics)

Report on "Physics Alumni Industry Talk"

The School of Applied Sciences (Physics) organized an "Alumni Industry Talk" on Saturday, 4th November 2023 from 12 to 12:30 PM with our proud alumni **Miss Sneha J** from BSc PMCs 2020-2023 batch. Currently she is working in Tata Elxsi Company. She interacted with BSc III sem and MSc I sem students, she shared her knowledge about the company placement process like written test, oral and HR interview as well as her working experience in the company.

First **Miss Sneha** met **Dr. Sunitha D V**, HOD, Department of Physics and updated about her job and life experiences. The activity was started by **Alumni Coordinator Dr. Mahipal Ranot** with the introduction of speaker. The industry-oriented activity was initiated by **Miss Sneha** by interacting with students. Students interacted with her and asked all their several doubts about software company job. She answered all the queries raised by students. The session was interactive with lots of information. At the end Alumni coordinator concluded the interaction by giving vote of thanks to the invited Alumni and participants. We asked **Miss Sneha** to arrange some internship opportunities for our students if possible in her company.

From the School of Applied Sciences (Physics), I would like to thank our **Hon'ble Chancellor sir, Hon'ble Pro-Chancellor sir, Hon'ble VC sir, Pro Vice Chancellor madam, Registrar sir, Dean sir, Deputy Director madam, HOD madam and Alumni Association President and Vice-president** for the encouragement and support for the conduction of alumni activities.

Thank you All

Best Regards

Dr. Mahipal Ranot
Alumni Coordinator,
School of Applied Sciences (Physics)
REVA University
